Profile

I'm a multimedia design student in Aarhus with a passion for digital design, UX/UI and frontend development.

I love working creatively and purposefully, exploring new ideas and challenges, and creating unique solutions where visual identity, user experience and functionality go hand in hand.

Relevant Employment:

2019	Sales Assistant & Administrator -
—	Vestfyns Trædrejeri - Fireworks sales
2022	Our family-owned shop and company since childhood. When I turned 18, I took on a role as a sales assistant as well as administrator of both our Facebook page and website. The role required strong teamwork, responsibility, communication, hard work, and an eye for marketing.
